CAREER OBJECTIVE

Results-oriented **MCA student** and **AWS Certified Developer** with diverse internship experience in Full Stack Java and Web Development. Proficient in building scalable applications using **Spring Framework, React, and Supabase**. Eager to leverage a strong technical foundation and **AI-assisted (Vibe Coding)** workflows to contribute to high-impact software engineering teams.

EDUCATION

D. Y. Patil Agriculture & Technical University

Master of Computer Applications (MCA)

Kolhapur, India

2025 – 2027

- Specialization: **Software Architecture and Cloud Computing** (Pursuing)

Deccan Education Society's Willingdon College

Bachelor of Computer Science (BCS) – **CGPA: 9.26/10**

Sangli, India

2022 – 2025

- Core Coursework: **Data Structures & Algorithms (DSA)**, OOP, DBMS, MySQL

SMDBS College

Higher Secondary Certificate (XII STD)

Miraj, India

2021 – 2022

TECHNICAL SKILLS

Languages: Java, Python, PHP, C++, C, SQL, JavaScript, HTML5, CSS3

Frameworks & Libraries: Spring Boot, React, Tailwind CSS, Bootstrap, Hibernate, JPA, JSP, Servlets

Cloud & Databases: AWS (Certified Developer), Supabase (BaaS), MySQL, RDBMS, JDBC

Developer Tools: Git, VS Code, IntelliJ IDEA, Razorpay, Vercel, Netlify, Postman

Core Concepts: DSA, System Design, Object-Oriented Programming, SDLC

EXPERIENCE

CodSoft

Java Programming Intern

Remote

Sep 2025

- Implemented robust back-end logic using Core Java, reducing code redundancy by **25%** through optimized **OOP design patterns**.
- Seamlessly integrated Java logic with front-end components, ensuring **99.9% data accuracy** and reducing load times by **15%**.

CodSoft

Web Development Intern

Remote

Sep 2025

- Designed responsive web interfaces using Bootstrap, improving **mobile usability scores by 30%** across iOS and Android devices.
- Resolved **10+ critical cross-browser compatibility issues** to ensure consistent UI rendering.

Technoworld Software

Full Stack Developer Intern

On-site

May 2025 – Aug 2025

- Architected scalable applications using **React and Spring Boot**, cutting manual data entry time by **40% (10+ hours/week)** via automation.
- Optimized Hibernate queries and REST APIs, enhancing **data retrieval speeds by 20%**.

Tamizhan Skills (RISE Internship)

Web Development Intern

Remote

Jun 2025 – Jul 2025

- Delivered **3+ high-fidelity interactive web prototypes** using HTML5/CSS3, meeting strict design specifications **2 days ahead of deadlines**.

Internshala

Web Development Trainee

Remote

Feb 2024 – Apr 2024

- Completed a rigorous full-stack training program, achieving a **top 5% ranking** among peers in React and PHP projects.

PROJECTS

GoGrabStack Vibe Coded (AI-Assisted) <i>React, Supabase, Tailwind CSS, Razorpay</i>	2025 gograbstack.com
- Engineered a multi-vendor marketplace for digital assets, featuring a secure seller dashboard and a 90% revenue-share model. - Integrated Supabase for real-time data sync and authentication, ensuring a seamless user experience. - Deployed Razorpay gateway with automated currency routing for international sales and automated payout tracking. - Optimized performance and SEO, achieving high organic reach and a 95+ Lighthouse performance score.	
Study Hive <i>React, JavaScript, Vercel</i>	2025 <i>Project Lead</i>
Engineered a collaborative note-exchange platform facilitating secure document sharing for 50+ concurrent users.	
E-Courses <i>Java, JSP, Servlet, MySQL, JDBC</i>	2025 <i>Course Management</i>
Developed a dynamic management system centralizing curriculum data and improving administrative efficiency by 30%.	
Resume Builder <i>React, JavaScript, CSS3</i>	2025 <i>Open Source</i>
Developed a real-time editor with live preview and zero-loss PDF export formatting.	

CERTIFICATIONS

- **AWS Certified Developer** (Associate Level)
- **SQL & Relational Databases** – IBM
- **Introduction to Generative AI Studio** – Google Cloud
- AI Agent & Prompt Engineering Initiative
- Java Programming & Web Development (CodSoft, Tamizhan Skills, Internshala)

SOFT SKILLS

Teamwork, Effective Communication, Decision Making, Adaptability, **Multilingual** (English, Hindi, Marathi)
